7									7									7								
8									8									8								
9									9									9								
10									10									10								
11									11									11								

The responsibility of the Master Scorer is to keep track of the Judges' Scores. In case of a discrepancy with the totals, the Master Score Sheet can be referred to instead of disrupting the meet. This sheet accomodates either 3, 5 or 7 Judges. The larger box in the "8th" row is used for the Net Total of Judges' Scores.
